What is

UNION

Purpose

To promote video- and filmmaking as a means of international communication
To support international cultural cooperation
To represent its member organisations at UNESCO
To achieve recognition of the independence and freedom of expression for member federations.

Organisation

UNICA is an independent international organisation.
It is a member of the authoritative UNESCO Council.
The supreme body of UNICA is the General Assembly where all member organisations have the right to participate and to vote.
Executive power is held by a committee elected for a three-year term by the General Assembly.

Film Library

UNICA's Film Library, established in 1938, currently has over 1200 works in the form of film and video. The oldest item dates from 1935.
The film and video copies in the library have been donated by their makers and the corresponding federations. There is a digital [catalogue](#) on the Internet with detailed information on the titles of the films in the library.

Patronage

When requested, UNICA supports international film festivals which commit themselves to the regulations of UNICA.
For these events a special UNICA prize is offered to be awarded by the organisers.

Information

Members are kept up to date on the latest developments at www.unica-web.com

The General Assembly

The General Assembly is an annual forum where member organisations meet to discuss and decide on issues of importance to the future development of UNICA.

The World Championship

This is the highlight of UNICA's annual meeting when each member presents a selection of films.
Prizes are awarded by an international jury which also includes professional filmmakers: the most interesting productions are awarded gold, silver or bronze medals.
The YOUNG UNICA competition is intended for young filmmakers up to the age of 25. It is included in the competition of the national programmes.

World Minute Movie Cup

The "World Minute Movie Cup" competition is also open to non-members.
It is a competition for films with a maximum duration of 1 minute.

Discussions and Forums

Audiences have the opportunity to meet the filmmakers and discuss the films presented at the annual film festival. The discussions are usually held with the aid of simultaneous interpreting.
There are also forums on various subjects of interest to participants and UNICA members, who meet here to exchange ideas and experiences.

The UNICA Committee and the Congress organisers seek to promote contacts between filmmakers, the audience and non-members.

Cultural Programme

The Congress programme also includes various recreational activities and other social events.
